1. **Barracks** are being built in the forest on the left side of the district road from Vimperk to Zdikov in the vicinity of the tavern "U Sloupu". The construction of the barracks is being carried out by the Armstav from Vimperk. Construction began in November 1951. Both civilian workers and soldiers are employed on this job. They are quartered in 10 provisory wooden houses which were built for this purpose. All preparatory work has been finished, the forest cut, stumps removed, terrain levelled with bulldozers and building material brought in. [redacted] approximately 75 hectares of forest have been cut. This is to be the largest group of military barracks in Southern Bohemia.
2. The tavern "U Sloupu" which is located in the vicinity will be torn down to afford more space for the barracks.
